

PUBLIC SPACES AND CLASS IN NAIROBI

Availability of open public spaces in High vs. Low income areas of the following areas of Nairobi: Westlands, Eastleigh, Runda Estates, Mathare, Kibera, Huruma Village

RUNDA ESTATES
Elite Gated neighborhood with well managed streetscapes and lots of private open green spaces

A- Nairobi Arboretum (\$)

E- City Park (\$)

G- Karura Forest (\$)

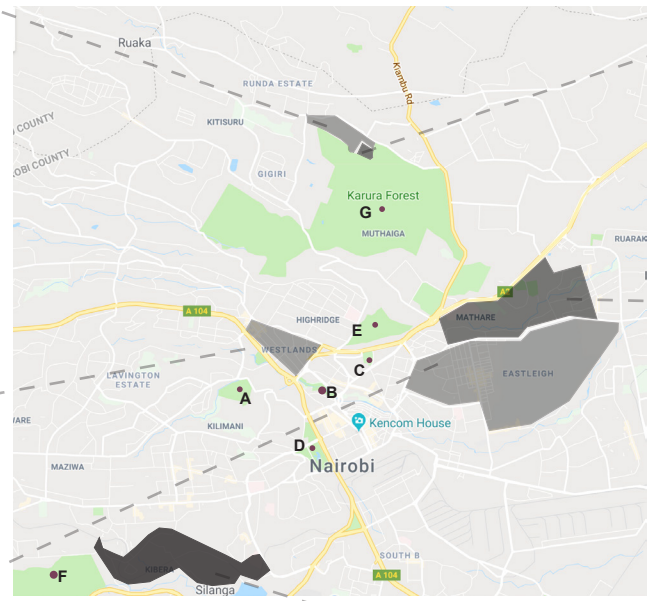

HURUMA VILLAGE
Densely populated slum with little to no open spaces. Close proximity to Karura Forest, but financial accessibility is a barrier

WESTLANDS
Great adjacency to open public spaces and integrated green spaces within the private properties

B- John Mishuku Memorial

■ Low-income area
■ High-income area
\$ Access fee required

C- Jevanje Garden

MATHARE
Collection of slums, with very dense population and dwellings and little to no open adequate public spaces.

EASTLEIGH
East of the CBD, this area is largel inhabited by Somali immigrants and is dominated by commercial activities

F- Ngong Forest Sanctuary (\$)

D- Uhuru Park

KIBERA
Very dense slum dwellings with little open and/or green spaces. Close proximity to Ngong Forest, but financial accessibility is barrier
