Learning Commons
Student Advisory Committee

Minutes | November 5, 2010

1. **Introductions**

   Student Advisory Committee Representatives introduced themselves and expressed their interest in participating in the committee.

2. **Overview of Committee Purpose**

   Simon Neame reviewed the purpose of the committee and provided an overview of programs and services in the Chapman Learning Commons and Irving K. Barber Learning Centre.

3. **Discussion**

   Advisory committee members discussed issues of concern. Comments included the need for more quiet space, longer hours and ways to better communicate that classrooms were available for study when not in use.

4. **Action Items**

   - Next meeting will be scheduled for January 2011
   - Simon Neame to follow up with classroom services about posting current schedules on classroom doors
