### **Invited Seminars by International Researchers**

- Follow announcements from MECH professors.

#### **Additional Notes:**

1. Suggested time for the seminar is 25 to 30 minutes and 15 minutes for Q & A
2. Please allow 5 minutes for introduction and settling-in. The chair introduces the speaker and conducts Q& A session.
3. The seminar must start by 1.05 PM sharp and we must leave the room by 1.50 pm latest.
4. Practice seminars should be arranged **10 days prior** to the date assigned above, with the reviewers specified. One of the reviewers acts as a chair, indicate by \* in the table provided, and sends a report of the practice seminar proceedings, summarizing the feedback provided to the candidates. This **summary** should reach me at [srikanth@mech.ubc.ca](mailto:srikanth@mech.ubc.ca) **a week before the seminar** starts. On occasions, I may drop in for the practice seminars.
