

## Main Event Booth Proposal

The purpose of the Main Event is to provide an occasion for all UBC students to access and be informed about a variety of resources and extra-curricular opportunities found within the UBC community. Organizations interested in getting involved with the Main Event must meet a series of requirements that would highlight them as a group targeting a variety of students. This year, in order to create a Main Event experience that appeals to a wide range of students, faculty-specific fairs have been created to house organizations that target students from a specific faculty.

Thank you for your proposal. Please expect a notification of your final acceptance or declination within a week of submitting this form. Please note that there will be no appeal process after the final decision is made. If you are unsuccessful in your proposal, please contact your Student Development faculty contact to discuss how your organization can get involved with Imagine UBC. If you do not have their contact information, please ask us and we can provide it for you. We want to find a place for you to showcase your organization! We appreciate your interest in the Main Event and Imagine UBC, and we thank you for your time.
