Cash App is a free money management app that allows you to send and receive money virtually, accept direct deposits, transfer money to and from your bank accounts, and invest money in the stock market and Bitcoin. There are different ways to get free money on Cash App as long as you protect it as you would your wallet.

## **Complete Offers and Surveys**

Taking those \$750 surveys that send money to Cash App is a legit way to get free money. To start earning immediately, join InboxDollars, which is one of my favorite paid task websites. InboxDollars is similar to those \$750 Cash App offers you'll often see ads for (which require you to complete 10 offers).

The difference is that InboxDollars pays you to complete one offer at a time, and you can skip the ones you don't like. As a member of InboxDollars, if you only want to complete one offer, you can get paid for it without losing out on the entire opportunity. While with RewardZone, if you complete nine out of 10 offers, you earn nothing.
