

Selective Release

Release the forum to selected dates.

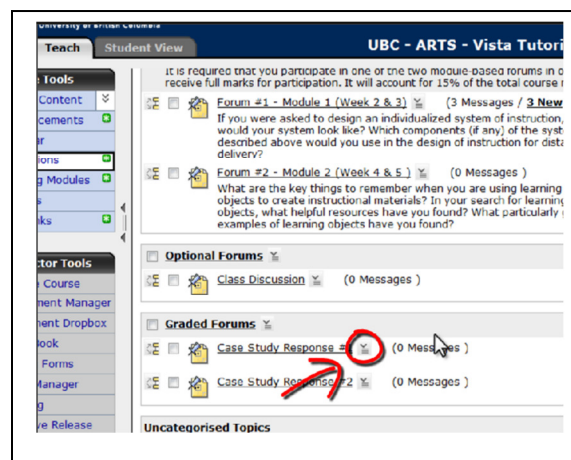

1. Make sure you are in the teach tab.

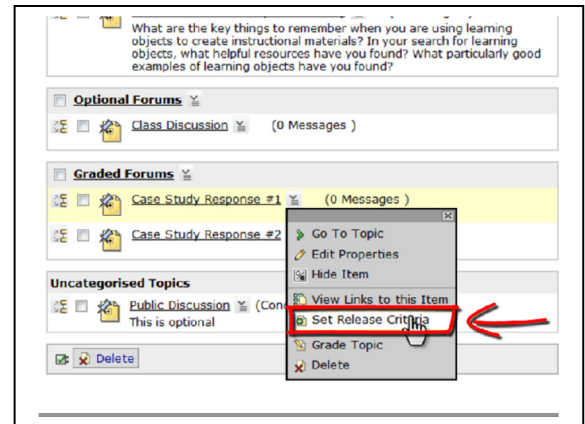

2. Click on "Discussions" under Course Tools.

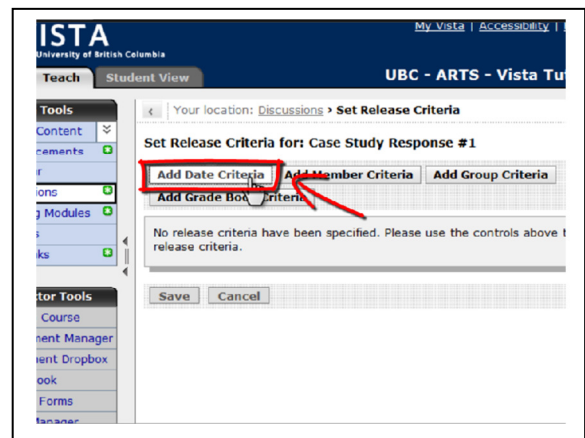

3. Click on the arrow to expand a drop down menu.

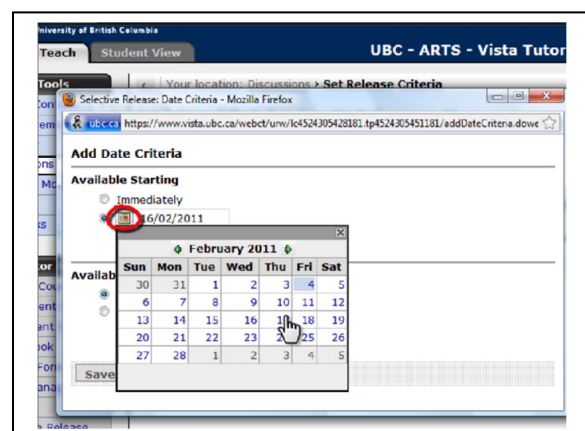

- From the drop down menu, choose “Set Release Criteria”.

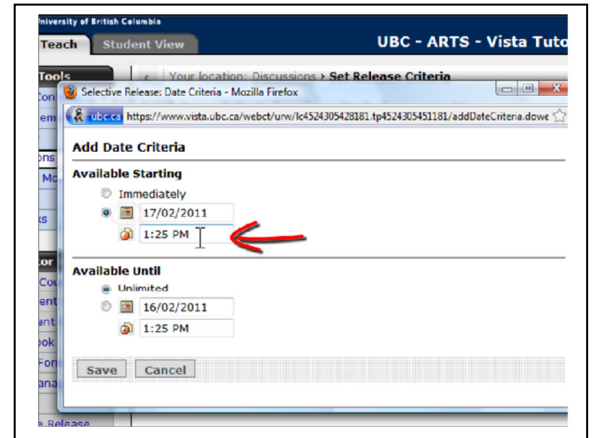

- Click on “Add Date Criteria”.

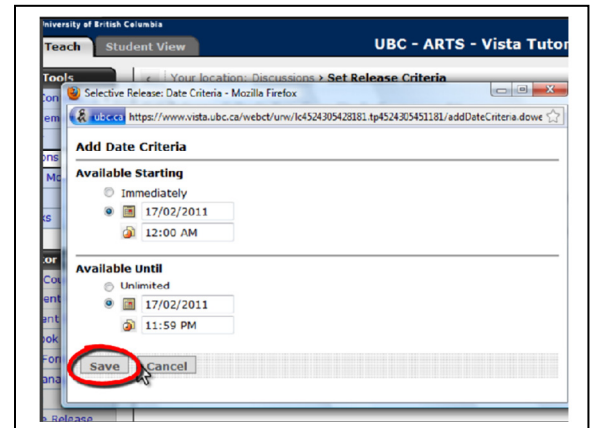

- A new window will appear for you to choose the start and close dates. By clicking on the calendar icon, you can choose a date.

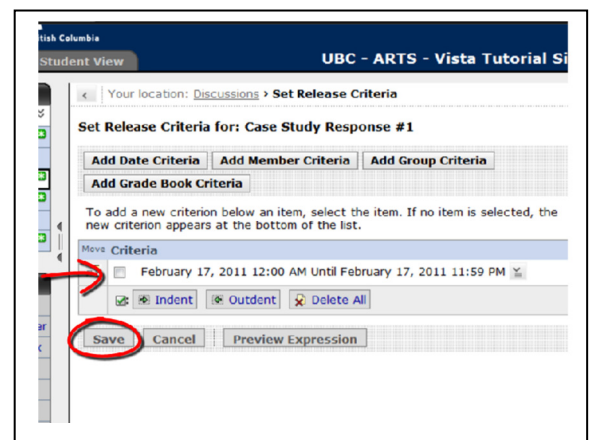

7. You can also change the time of the open and end date.

8. Click "Save" when done.

9. You will be directed to a new screen. Check to see that the dates are correct. Then click "Save" again.

10. Notice that after the release criteria has been set, it says “conditional”.
