MUG Leader Development 2011

Orientations Planning Committee

June 2011

Overview

1. **Over-Arching Goals**
2. **The Sessions**
    1. **Content and Learning Outcomes**
3. **Questions**

Over-Arching Goals

- **Empower the Squad Leaders**
  - **Leadership in training**
- **Equip the MUG Leaders**
  - **Day-of IMAGINE Group facilitation and direction**
  - **Meet transitional programming needs**

The Sessions

- **Facilitation**

- **Coaching**

- **Group Management and Inclusivity**

- *(to be discussed at a later date...)*
  - **Campus Tour and Presentation Skills**
  - **General Logistics**

Framework Schedule

10am to 4pm   September 4, 2011

- Facilitation   10.00-11.30

- Lunch   11.30-12.30

- Coaching   12.30-14.00

- Group Management and Inclusivity

                                                  14.15-15.45

Facilitation

- **Answer the Question: "What techniques can I use to determine what the needs of my MUG are?"**
  - Introduction: What is Facilitation?
  - Core: Measurable Outcomes and techniques
  - Practical: Trying out techniques – What are my Squad's needs right now?
  - Resources: (manual, internet resource?)

Coaching

- **Answer the Question: "How can I determine how my incoming students can be successful here at UBC?"**
  - **Introduction: What is peer-involvement coaching?**
  - **Core: Involvement – SD Theory (Peer Programs 2008)**
  - **Core: Techniques (Facilitation)**
  - **Practical: Identify and Direct – Squad's Passions**
  - **Resources: (manual and internet based?)**

Group Management and Inclusivity

- **Answer the Question: "What tips and tricks are there for managing my group on the day of IMAGINE *to ensure that I am providing a safe and inclusive environment*?"**
  - Introduction: What do we mean? Examples.
  - Core: Identifying inclusion needs and methods (manual)
  - Practical: Role-playing in the Squad
  - Squad Debrief: What might we encounter on IMAGINE?
  - Resources: (manual and internet based?)

Other Workshops

- **To closely follow the training program run last year**
  - **Logistics and Presentation**
  - [V:\Public\Files\Orientations\2010\IMAGINE\Training\ML Training\2010-08-24 ML Training Schedule v4.xlsx](V:\Public\Files\Orientations\2010\IMAGINE\Training\ML Training\2010-08-24 ML Training Schedule v4.xlsx)

Presentation

- **SD Theory and Logic**
- **With components facilitated by Squad Leaders**
- **Supported and run by Faculty SD, the O-Team**
  - **Other staff if necessary**

Questions for the **Faculties**

- **Where do you want your training?**
- **How do you want to deal with food for lunch?**
  - **One location?**
  - **Or send lunch to the various faculty specific areas?**
- **Where will your faculty need customization within these frameworks?**
