

Making Course Connect Available to Students

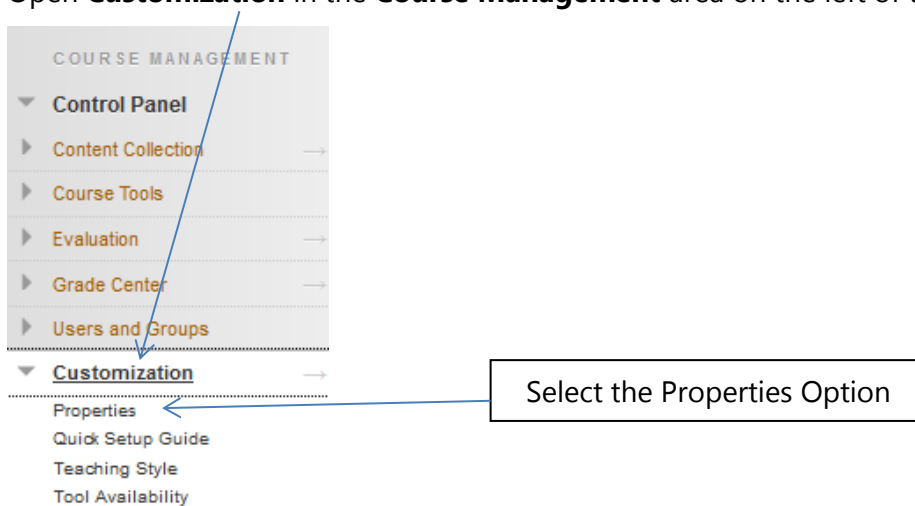

The following will provide faculty with the necessary information to make a specific course available to students.

Step 1

- Log into Connect and access the course to be activated.

Step 2

- Open **Customization** in the **Course Management** area on the left of the screen.

Step 3

- After Properties is selected the user will be presented with a list of options. Scroll to Option 3, **Set Availability**.

Set Availability

Make this course available to users?

Make Course Available

Yes
 No

Select Yes

Step 4

- Select the **Submit** button in the top of button of the screen.
