

UBC Curriculum Renewal Forum: Implications for Student Learning, Faculty Development and Scholarship

**Tuesday, April 7th, 12:00-2:00 pm, Lillooet Room, Room 301, TBC
Irving K. Barber Learning Centre, 1961 East Mall,**

Lunch will be served

Forum Objectives

Participants can expect to:

- ❖ Engage with curriculum leaders from across the UBC disciplines to discuss scholarly approaches to curriculum renewal in order to meet the needs and circumstances of student learning in diverse program contexts.
- ❖ Examine the strategic use of on-line (blended and full) and enriched educational experiences within the pedagogic design of multi-year undergraduate and graduate level programs
- ❖ Discuss faculty support initiatives within and across the disciplines for curriculum redesign/renewal.

Agenda

- Introductions / UBC context for curriculum renewal
- Scholarly approaches to curriculum renewal in diverse UBC program contexts: Key lessons learned and opportunities for collaboration.
- Engagement questions/discussion (innovation, challenges, scholarship)
- Next steps
