

Jumpstart

- Two week residential program
- International students in first year
- Live in Gage residences with 'RAs'
- Provides new international students with an intensive two-week academic preparation for university life
- Get to know professors in your faculty and learn what they expect of you
- Lectures, Classes, Workshops, Residence Living, and social and cultural activities
- Jumpstart takes place 2 weeks before GALA starts, which takes place on the Thursday, Friday and Saturday before Imagine Day
- All students registered for Jumpstart are automatically registered for GALA
