Invited Seminars by International Researchers

- Prof. Graeham Milton from Utah will give two seminars in late Spring
- Prof. Katia Bertoldi from Harvard will give a seminar in May
- Seminars from faculty in the interim weeks

Additional Notes:

1. Suggested time for the seminar is 25 to 30 minutes and 15 minutes for Q & A
2. Please allow 5 minutes for introduction and settling-in. The chair introduces the speaker and conducts Q& A session.
3. The seminar must start by 12.05 AM sharp and we must leave the room by 12.50 pm latest.
4. Practice seminars should be arranged **10 days prior** to the date assigned above, with the reviewers specified. One of the reviewers acts as a chair, indicate by * in the table provided, and sends a report of the practice seminar proceedings, summarizing the feedback provided to the candidates. This **summary** should reach me at srikanth@mech.ubc.ca **a week before the seminar** starts. On occasions, I may drop in for the practice seminars.
