Position Title: Practicum Student: Vancouver Community Outreach

Name of Student: _____

Department: Prevention & Enforcement

Position Reports To (Title): Coordinator, Charlie's Community Pet Resources

Description Prepared by: Manager, Outreach Date: Feb 2021

B. POSITION SUMMARY

This in-person position suits an individual who exudes compassion for animals and their guardians equally, regardless of their personal circumstances. The student will assist Coordinator Charlie's Community Pet Resources at the Charlie's Pet Food Bank (CFB) held weekly at Mission Possible 543 Powell Street, Vancouver. CFB is a BCSPCA Program where pet food, accessories and support is provided weekly to animal guardians in the downtown area of Vancouver. Many of Charlie's clients face barriers due to mental health issues, drug addiction and/or financial issues while trying to care for their pet. This role will include the management and operation of the pet food bank including coordination with BCSPCA Vancouver Branch and Animal Hospital. The student will also assist at the monthly free veterinary clinics held at the Vancouver Animal Hospital. The student shall learn approaches to supporting and managing the health and welfare of animals in this unique community. The student will work collaboratively with staff and volunteers to improve individual welfare for clients accessing CFB.

The student has a direct reporting relationship to the Manager, Outreach and to the Coordinator Charlie's Community Pet Resources. The student will work collaboratively with BCSPCA Hospital Administrator and Vancouver Branch Manager.
